Nominate

Steps to Nominate – 5 Easy steps!

1) Evaluate the nominee. Who can help you find out this information? Check with your local GS Service Unit Team volunteers such as the SU Adult Recognitions Specialist or SU Registrar.
   a. Are they registered Girl Scout members?
   b. What training have they taken?
   c. How long have they been in their position?
2) Evaluate the available awards on the web site at www.gsnetx.org/recognitions.
3) Decide which award best fits the nominee.
4) Identify if additional nominations are needed and if so, recruit these people.

   Note: Additional nominations not only support the original nomination, but make the presentation of the award to the nominee a truly meaningful experience for the nominee as well as for the nominator.
5) Complete the nomination online – it's fast and easy! Follow these directions

Nomination timeline: There will be one timeline for submitting nominated awards. The online nomination portal will be open from the last week in November until February 16.

All confirmation notices and awards are provided to the Adult Recognitions Specialist for your local Service Unit, or another volunteer carrying out the tasks involved in coordinating awards for your group, Day/Twilight Camp or Series program.

Girls are strongly encouraged to write in support of a volunteer's service in any role that is supportive of their leadership experience. Girls may write a free-form letter or use the form found at www.gsnetx.org/forms. These documents can be sent electronically (email or fax) or the original paper sent directly to the Adult Recognitions Specialist in their service area (GS Service Unit, Day/Twilight Camp or Special Interest Group such as Tejas Riders).

All paper forms can be submitted to council headquarters:
