SIGN YOUR GIRL SCOUT UP TO PARTICIPATE TODAY!

It's almost time for your Girl Scout to master her 5 Skills: goal setting, decision making, money management, people skills, and business ethics.

Girl Scouts learn a lot through the Cookie Program. They also earn rewards and exclusive experiences while raising money for their troop. Place an initial order with your troop in November for a chance to earn even more rewards.

Make sure your Girl Scout has a renewed 2023-2024 membership.

Remember! Funds earned through the Cookie Program help troops and girls expand their Girl Scout experience beyond the family budget.

Complete the annual Cookie Program Parent Permission Form to get started. gsnetx.org/cookieppf.
