

The GSNETX Family Partnership Campaign is a new way for Girl Scout families to invest in girls' futures through programs, camp improvements, scholarships, volunteer support and other critical services. It costs more than \$250 per girl per year to provide the premiere leadership experience for girls and 100 percent of the membership fee goes to GSUSA and does not help with these local costs.

- Through the support of families through the Family Partnership Campaign we will **increase the amount of funding we have available to provide amazing leadership opportunities for our girls.**
- Funds raised through the Family Partnership Campaign each year help **provide quality services to nearly 27,000 girls and 12,500 adult members in all of our 32 counties.**
- Currently the Cookie Program provides the majority of the revenue for GSNETX. **Only 10 percent of revenue is adult driven.** To fill the gap between budget and needs, we must increase investment in our work.
- With our program needs growing exponentially, **every dollar is vital to helping our girls.** Your gift will make a significant impact. Gifts of \$250 and above will be recognized in the Annual Report. A gift of \$1,000 or more is recognized as a Juliette Low Leadership Society gift and donors at that level receive special invitations and recognitions.
- **All Service Units who meet their Family Partnership goal are eligible** to receive rebates to support local girl programming.
