

## How to create your own Peer 2 Peer Fundraising Page!

**Step 1.** Start creating a page @ [www.gsnetx.org/p2pfundraiser](http://www.gsnetx.org/p2pfundraiser)

**Step 2.** Set your goal! This is your online fundraising goal. It does not need to be your overall year goal.

**Step 3.** As a SU, you are creating a new team so choose “I am creating a new team” from the dropdown.

**Step 4.** Name your Fundraising Page- This can be “SU ### Family Partnership” or simply “Service Unit ###” No matter the name, it needs to have your Service Unit number included so that we know where to attribute the money to appropriately.

**Step 5.** Summarize your page. Briefly introduce what this page is about, where your SU is located, etc. Don't worry- you can always edit this later.

**Step 6.** Upload a picture! This could be a picture of your SU Team, a photo of girls in your SU, the next council-wide campaign graphic, a graphic promoting your next family partnership event or your next SU event- whatever you want it to be! But nothing inappropriate. If you would like me to automatically upload the next council-wide campaign graphic each time it changes, just let me know and I am happy to do so.

**Step 7.** Tell your story- This is your time to shine! Feel free to use the script provided, but take some time to make it personal. Boast on your Service Unit! You can also hyperlink things in this section, so this can be to the NTGD site ([www.gsnetx.org/ntgd](http://www.gsnetx.org/ntgd)) or to your upcoming restaurant night Facebook event!

**Step 8.** Click Create Fundraiser Page!
