

About GSNETX

We're Girl Scouts of Northeast Texas and we're 25,000 girls and 12,500 adult members strong! Every day, Girl Scouts fosters a strong sense of self, helping girls develop the confidence to know they can do anything they put their minds to. Guided by caring mentors, girls learn to be leaders and are connected with more than 50 million Girl Scout alums.

Girl Scouts of Northeast Texas launched a \$14M capital campaign to build a STEM Center of Excellence. Just 20 miles outside of Dallas, the STEM Center will serve as a living laboratory where girls in kindergarten through 12th grade can explore science, technology, engineering and math programs, activities and careers in a unique, girl-centered outdoor leadership environment. Learn more at stemcenter.gsnetx.org.

About Girl Scouts of Northeast Texas

Girl Scouts is building a pipeline of strong, confident girls. As the expert in how girls learn, Girl Scouts provides relevant programming that focuses on life skills, STEM, entrepreneurship and the outdoors – helping girls develop the confidence to know they can do anything they put their minds to. Girl Scouts of Northeast Texas serves more than 25,000 girls and 12,000 adult volunteers across 32 counties. In 2018, Girl Scouts of Northeast Texas opened the STEM Center of Excellence, a 92-acre state-of-the-art camp just outside of Dallas where girls can experience programs in astronomy, robotics, coding, computer science and more. Girl Scouts of Northeast Texas was recognized as a 2018 Tech Titan Technology Advocate Finalist, 2017 Million Women Mentors Stand Up for STEM Award, and 2016 CNM Connect Nonprofit of the Year. Learn more at gsnetx.org or call 972-349-2400.
