† All items and event dates are subject to change. The Council reserves the right to replace any item of equal or higher value.

† If selection is not made, default selections will be made by GSNEXT and the girl forfeits her opportunity to select her desired reward.

† All packages must be picked up from TCM, reflected in the online cookie software system and paid for in full, to qualify.

† Camp spaces and program access opportunities are reserved on a first come, first served basis. GSNEXT does not guarantee space at any specific camp, session or program event.

• Cadette, Senior, and Ambassador Troops can earn extra profit in lieu of reward items, clubs, events and trips if the girls have unanimously voted to do so and the troop reaches a final PGA of 250+ packages.

• To receive the Initial Order 100+ patch, the girl must have at least 100 packages allocated to her in eBuddy at the time of the Initial Order. Similarly, to receive the 300+ shirt, the girl must have at least 300 packages allocated to her in eBuddy at the time of the Initial Order.

• Initial Order troop reward of 250 PGA is calculated automatically in eBuddy to include girls who have at least one package allocated at the time of the troop's Initial Order, and who meet the PGA requirement.

NOTE: Girls are at risk to forfeit their rewards, including items, cookie dough, events and trips should they fail to pay on time, in full and/or if the Girl Scout and her family do not adhere to all policies and guidelines published by GSNEXT and contained in the parent permission form, which is executed by her parent/guardian in order to participate in the Cookie Program.
