

2023 GSNETX My Sale Booth Request Info

What are My Sale Booths?

My Sale Booths are booth sales organized in partnership with local retailers NOT listed as a Council Booth Partner. My Sale Booths can be run as a Family Booth Sale or a Troop Booth Sale. Troops and families may NOT set up agreements with retailers until 10/29/2022 or after.

All My Sales must be approved in eBudde, unless being held on the parent/guardian's personal, residential property (home). Booth sales at schools, public parks, on sidewalks, etc., must have approval from the appropriate officials or property owners. GSNETX is not responsible for overbooking. You are responsible for verifying with the manager, your TCM and SU CPC that there are no other booth sales going on at the same time to prevent duplicates. Should duplicate booths be approved, the troop whose booth sales was approved first in eBudde, will be permitted to sell.

Where can My Sale Booths be held?

My Sales may not be held in partnership with locations that a girl cannot legally patronize. Additionally, if the location's products/services are limited to items that the girl could not legally purchase, My Sale Booths may not be held at those locations. Examples: bars, liquor stores, gun stores, smoke shops, etc.

What time of day can My Sale Booths be held?

All booth sales held Monday through Saturday must conclude by 8:00 p.m. Booth sales held on Sundays must conclude by 6:00 p.m.

What is the process to set up a My Sale Booth?

1. Ensure that the Troop Cookie Manager and Adult-In-Charge have completed a Booth Agreement in order to be eligible and receive approval for My Sale Requests.
2. Identify a store, restaurant or location that you can ask to partner with you to sell Girl Scout cookies. Don't forget, this cannot be a Council Booth Partner!
3. Contact the manager or representative who has the authority to give you permission to schedule a booth sale with their location. Explain that you are asking for approval to sell Girl Scout cookies at their location and what dates and times you are most interested in.
4. Complete the My Sale Request Form with all of the location information as well as the dates and times of the booths that have been approved and the manager's signature.
5. Provide your Troop Cookie Manager with a copy of the signed form at least 48 hours prior to the booth sale so that he/she can enter the request in the My Sale Portal and in eBudde, the software we use to manage our Cookie Program.
6. The SU CPC will review the My Sale Request information, confirm that there is not already a booth approved at that location for the same date and time, and approve if it meets all requirements. Once approved, eBudde will send an email to the TCM through the system with a notification of a change in the booth's status.
