

# Summer Camp JUST FOR GIRLS

Open to *all* girls entering 1<sup>st</sup> – 12<sup>th</sup> grade  
Day camps and overnight camps at The STEM Center of Excellence in Dallas

## JUNE | Day Camps

**\$199/week** - Pool time - Archery - Hiking - Ropes Course ■ 9 a.m. - 4:30 p.m. daily ■ Before/after care available 7:30-9 a.m. and 5-6:30 p.m. for \$25/per girl/week ■ Bus transportation from the Girl Scout offices (6001 Summerside Drive) is available for an additional fee (\$75).

### June 10-14:

*Grades 1-5 | The Art of Coding*

Girl will explore the basics of computer coding and create 2D or 3D print wearable art using Apps for Kids.

*Grades 6-9 | NASA Apollo Drone Camp*

Rev up your lady-leader abilities as you work in teams to recreate the Apollo 11 moon landing using a drone and a Lego EV3 robot.

### June 17-21:

*Grades 1-5 | NASA Citizen Scientists*

Launch into summer as a space citizen scientist! Explore the solar system and help real NASA scientists with research projects.

### June 24-28:

*Grades 1-5 | LEGO We.Do Robotics*

Dream it, build it, do it! Design your custom LEGO We.Do robot to solve a community problem.

## ⚙️ LIMITED TIME OFFER! REGISTER FOR DAY CAMPS AND MEMBERSHIP IS INCLUDED

⚙️ All week-long day camps prices include \$35 registration fee (member registration in Girl Scouts of the USA). Registered members are eligible to attend Girl Scout programs throughout the year and have the option of joining a local troop. This promotion is valid for first-time members, and is not valid for renewing members. ⚙️

## JUNE | Overnight Camps

92 acres! - Pool time - Archery - Hiking Trails - Ropes Course - A/C Cabins!  
All overnight camps include three meals and one snack a day.

### Session 1:

*June 12-14 - Grades 2-8 Coding Crusaders*

Girls will reimagine the world by inventing and shaping their future using Apps for Kids. Students will learn the basics of coding and programming to create 2D and 3D models of machines for everyday use. \$300/week

### Session 2:

*June 23-28 - Grades 6-8 World of Robots*

Girls will dive into the world of robotics during this week-long session where they'll have the opportunity to explore LEGO We.Do, TI Rovers, VEX Robotics, and more. Girls will get a taste of what it is like to be on a Girl Scout Robotics Team. \$450/week

## JULY & AUGUST | Day Camps

**\$199/week** - Pool time - Archery - Hiking - Ropes Course ■ 9 a.m. - 4:30 p.m. daily ■ Before/after care available 7:30-9 a.m. and 5-6:30 p.m. for \$25/per girl/week ■ Bus transportation from the Girl Scout offices (6001 Summerside Drive) is available for an additional fee (\$75).

### July 8-12

*Grades 1-5 | Building Bonanza*

Work as a team of engineers, architects and materials scientists to design products for the future using Apps for Kids.

### July 15-19

*Grades 6-8 | Making Movies*

Write, cast and film a movie about your summer camping experience. Girl will be introduced to artificial intelligence and use Python Skills to create a chatbot to impersonate their favorite celebrity.

### July 22-26

*Grades 1-5 | LEGO We.Do Robotics*

Dream it, build it, do it! Design your custom LEGO We.Do robot to solve a community problem.

### July 29-August 2

*Grades 1-5 | Bugs and Roses*

Help creatures big and small by designing habitats for animals and insects using Apps for Kids while learning to think like a citizen scientist.

*Grades 6-8 | NASA Citizen Scientists*

Launch into summer as a space citizen scientist! Explore the solar system and help real NASA scientists with research projects.

### August 5-9

*Grades 4-8 | VEX Robotics*

Get a head start on the robotics competition by diving into all things VEX Robotics. Girls will get a taste of what it is like to be on an all-girls robotics team.

### LIMITED TIME OFFER! REGISTER FOR DAY CAMPS AND MEMBERSHIP IS INCLUDED

 All week-long day camps prices include \$35 registration fee (member registration in Girl Scouts of the USA). Registered members are eligible to attend Girl Scout programs throughout the year and have the option of joining a local troop. This promotion is valid for first-time members, and is not valid for renewing members.   

## JULY | Overnight Camps

92 acres! - Pool time - Archery - Hiking Trails - Ropes Course - A/C Cabins!  
All overnight camps include three meals and 1 snack a day.

### Session 3:

*July 7-19 | Grades 9-12*

*Biomedical Engineering hosted by The Shoulders of Giants*

Girls will explore bio-electrical signals, 3D printing, prosthetics, and sensor design!

*SWARM Robotics hosted by Girls Tech Center LLC*

A one of a kind STEAM experience where girls will learn how to design like an artist, build like an engineer, plan like a mathematician, code like a programmer, and command like a pro, a nature-inspired robot

*Design, Connect, Create*

An immersive, hands-on experience for girls to daringly design solutions to engineering challenges, courageously connect to real-world problems with confidence and audaciously create experiments using physics concepts.

### Session 4:

*July 21-26 | Grades 6-8 Cadette Quadcopters*

Quadcopters is an immersive, hands-on experience where girls build and program a drone. \$300/week

*July 24-26 | FIRST Lego League Robotics*

Get a head start on the robotics competition by diving into all things Lego Robotics. Girls will get a taste of what it is like to be on a Girl Scout Robotics Team and earn three robotics badges. \$300/week

**2 WEEKS OF CAMP FOR ONLY \$850!**

**For more information, and to register for June or July, call 972-349-2403.**

Active Girl Scouts may register online at [gsnetx.org/camp](https://gsnetx.org/camp)
