Welcome to the Family Partnership Campaign!

The Family Partnership Campaign is a Girl Scouts of Northeast Texas annual campaign that provides families the opportunity to support Girl Scouting locally through their Service Unit. This helps provide financial resources that directly impact and improve the leadership experience of all the Girl Scouts in their service area.

We are here to support our Family Partnership volunteers. We offer trainings, monthly progress updates, and Fund Development staff support. The GSNETX Fund Development team looks forward to working with you. Your contact is Morgan Spann, Development Manager.
