girl scouts of northeast texas

Uniform design contest

Here's your chance to flex your creativity and design a uniform for the Texas Legends players to wear on Girl Scout night. Print this out or use a digital drawing app and get to work! Use Girl Scout green, Legends blue or any color combo to represent this special night.

Email your submissions to media@gsnetx.org by December 29.
The Legends team will adapt the winning design to fit their uniform standards.
