DreamLab Room Rentals FAQs

Why are there rental fees for members to book reservations in the Girl Scout DreamLab?

This is a greatly enhanced and elevated space so there are levels of rental fees at member, non-profit / partner, and corporate / general public levels. Member rental fees are greatly discounted and assistance is available to ensure this space is accessible.

What if I just want to come hang out at the Girl Scout DreamLab? You are more than welcome to come hang out at the DreamLab during our open hours so long as we do not have a rental reservation or program event scheduled for that time. We'll let any visitors know when they enter the space if we have anything on the schedule for that day.

Can I have an impromptu meeting just when the facility is open without reserving the space?

You can, but if you want to guarantee private meeting space and access to our meeting tools and technology, you will need to reserve a rental space.

What if I want to use the 3-D printer / laser engraver? Use of the 3D printer and laser engraver coming soon with a minimal charge for electricity, care, and materials use. The printer, engraver, and other tools will also be part of workshops and activities.

What if I want to use the podcast studio? At this time, if you would like to use the podcast studio, you can use during open house as long as another Girl Scout or guest is not already inside the studio. It is first come, first served and there are written use instructions in the room. The podcast studio will also be part of workshops and activities.

What should I do if I need help reserving a room rental or birthday party? Contact customercare@gsnetx.org or 972-349-2400 so our team can help.
