How to Use Your Passport

Welcome aboard! Get ready for a year filled with hands-on skill building, outdoor adventures, and exciting entrepreneurial experiences. Girl Scouts of Northeast Texas (GSNETX) is here to make your journey easy, fun, and memorable.

The Program Passport lists activities to complete throughout the Girl Scout year. Each activity is like a "stamp" on your real passport, helping you build a well-rounded Girl Scout experience.

Complete the passport to earn an exclusive patch and an entry to win a grand prize: a FREE week at camp of your choice! Each bonus stamp you earn gives you an extra entry for the grand prize, though they aren't required.

Here's how to complete your passport:

1. Complete the required activities honestly and fairly. On your honor–only check off activities you've actually done.
    a. For in-person GSNETX events, bring your passport to get a stamp from a staff member.
    b. For activities done on your own, a troop leader, GSNETX staff member, or parent can mark off activities using a marker, hole punch, or sticker.

2. Submit your passport via the Free Patch Reporting Form at www.gsnetx.org/patchform by October 1, 2025.

Stamp 1:
Earn 2 badges for your program level.

Stamps go here!

Scan QR codes throughout your passport for more information or to register for events.
