Spring Program
Save the Date

2026

As you start thinking about your troop plans for the upcoming year, we're excited to share an early look at what's coming this Spring at Girl Scouts of Northeast Texas.

January through May 2027, there will be plenty of opportunities for girls, families, and volunteers to get involved—everything from leadership experiences and hands-on programs to outdoor adventures, STEM activities, and favorite Girl Scout traditions. We put this Save the Date together with troop leaders in mind so you can get key dates on your calendar early and start mapping out meetings, badge work, service projects, and special events. Each opportunity is designed to help you create fun, meaningful experiences where girls can build confidence, grow their skills, and stay connected to their Girl Scout community. Be sure to save these dates now to help with your planning! **This calendar is a starting point, and programs are subject to change as the year goes on.** New programs and opportunities will be added, too! Keep checking back for the latest details, registration info and new additions. We can't wait to support you in another great Girl Scout year!

More opportunities are on the go!

We're excited to now have two Girl Scouts on the Go mobile programming vans, including our newly launched Amazon Girl Scouts on the Go Mobile Programming Van! Both vans bring the same exciting programming in STEM, leadership and financial empowerment directly to girls and communities across Northeast Texas.

SCAN TO BOOK THE VAN FOR A VISIT.
