GSNETX / Comerica Money $ense Patch

These activities may be completed as a trop, as a Juliette, or with family at home. Once girls have completed the patch requirements, please complete the online patch reporting form by Dec. 17, 2023.

Financial literacy for kids is an incredibly important concept. Building money management skills for your children now can continue to pay off decades into the future. Reaching the value of bills and coins, understanding the purpose of a checking account or debit card and even introducing concepts like interest are all topics that if girls learn now they will be able to apply throughout their lives. Comerica has developed this engaging and impactful online program for girls of all ages to learn about money in an interactive way. Complete the online curriculum for your age group and when complete fill out the survey for your free patch.

**** BONUS –*** *By completing this curriculum you may be eligible for funding/reimbursement of your Bronze, Silver or Gold Award. See below for more details and how to apply.*
