† If selection is not made, default selections will be made by GSNETX and the Girl Scout forfeits her opportunity to select her desired reward.
† All Packages must be picked up from TCM, reflected in the online cookie software system and paid for in full, to qualify.
† Camp spaces and program access opportunities are reserved on a first come, first served basis. GSNETX does not guarantee space at any specific camp, session or program event.
• Cadette, Senior, and Ambassador Troops can earn extra proceeds in lieu of reward items, clubs, events and trips if the Girl Scouts have unanimously voted to do so and the troop reaches a final PGA of 250+ Packages.
• To receive the Initial Order 125+ patch, the Girl Scout must have at least 125 Packages allocated to her in eBudde at the time of the Initial Order. Similarly, to receive the 400+ hoodie, the Girl Scout must have at least 400+ Packages allocated to her in eBudde at the time of the Initial Order and at the conclusion of the 2025 Cookie Program.
• Initial Order troop reward of 300 PGA is calculated automatically in eBudde to include Girl Scouts who have at least one package allocated at the time of the troop's Initial Order, and who meet the PGA requirement.
NOTE: Girl Scouts are at risk to forfeit their rewards, including items, Girl Scout Bucks, events and trips should they fail to pay on time, in full and/or if the Girl Scout and her family do not adhere to all policies and guidelines published by GSNETX and contained in the parent permission form, which is executed by her parent/guardian in order to participate in the Cookie Program.
